YOU MUST CREATE A STUDENT PROFILE FIRST BEFORE YOU REGISTER FOR ANY CLASS.

The profile requires your Email address and other information beyond your SSN and Date of Birth.

If you're a **New Student**, be sure to create a student profile **BEFORE** you register for your first class.

Welcome to the Civilian Human Resource Training Application System (CHRTAS). CHRTAS is an automated management system that allows you to develop and record your completed training, apply for Civilian Human Resource and NSPS courses, and the Civilian Education System (CES) courses. Begin by preparing/updating your profile, which contains critical information we need to know about you. Once this is complete, you can begin to search for courses and apply for training.
